A conceptual image featuring a human hand at the bottom, palm up, holding a glowing, wireframe lightbulb. The lightbulb is constructed from a network of white lines and dots, with a warm orange and yellow glow emanating from its base. The background is a dark blue gradient, adorned with various geometric shapes like triangles and polygons, some of which are also wireframe structures. The entire image is framed by a thick yellow border.

STRATEGY CONSULTING
& SOLUTIONS

The passion & surge towards the entrepreneurial journey of my own and always been into the environment of sales and marketing. I took a much high interest in starting my own venture. Before my MBA, I tried starting my small business, in which I couldn't succeed due to a lack of strategic guidance, which helped me understand the importance of the right planning.

I completed my MBA from Cardiff University with a specialization in Management consulting and Strategic management. I learned how much strategy is important for any business success. From there I started my journey in the field of Strategy consulting.

At the start of my career, I have been awarded as the best upcoming business consultant by ET NOW and BIG RESEARCH. In my benefit, While consulting businesses I took advantage of my high analytical and creative skills which helped me creating absolutely on spot strategies and solutions required for success.

Also, serving so many corporates and individuals, have to manifold my knowledge and experience by learning from their mistakes, achievement & industry. I believe Knowledge Is the absolute power to keep the success going and with the right knowledge shared at the right time, we can achieve great height.
